Disclosure Chart

Type of Product	Fixed Rate Product
Contract Term	36 Months
Do I have a termination fee or any fees associated with terminating service?	Yes. A $500 early termination fee will apply if you terminate service prior to the expiration of the contract term. This fee will not apply if you move and provide a forwarding address and other evidence that may be requested to verify that you have moved.
Can my price change during the contract period?	Yes
If the price can change, how will it change and by how much?	Your price can change during the fixed contract term if: there are changes in applicable TDSP or ERCOT Charges; fees imposed by the Electric Reliability Council of Texas (ERCOT) or Texas Regional Entity; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control. The Market Securitization (Debt) Financing Charges are ERCOT charges subject to adjustment each billing cycle during the contract term. A change to the your price resulting from one or more of these occurences will reflect the actual charges imposed by such events.
What other fees may I be charged?	Fees not included in the price above: Insufficient Funds: $25; Late Fee: 5% of past due balances; Disconnect Process fee: $25; Reconnect Process fee: $25; Collection fees. If you pay your bill through a third party location (e.g., a check cashing store or bill payment center) that accepts payment on our behalf, then such third party will charge you a fee not to exceed $3 per payment. Information on other non-recurring fees is available in the pricing section of your Terms of Service. Average prices per kWh by TDSP shown above do not include state, local, and regulatory taxes and assessments or non-recurring charges.
